

Funding Opportunities for Young Scientists

GEOMAR

You are soon finishing your PhD and would like to continue with a Postdoc position? You are looking for an opportunity to get your research idea funded or establish your own research group? This event will give you an overview of different funding instruments and the opportunity to ask questions and exchange with a number of GEOMAR experts.

Wednesday, 28th January 2015 Program

09:00 Welcome

-- Katja Matthes, WEB chairwoman

09:10 Overview of DFG and Helmholtz instruments

-- Astrid Klingen, GEOMAR science coordination

09:30 Overview of EU instruments

-- Alexandra Drossou-Berendes, GEOMAR science support

09:50 Personal Experiences

-- Christa Marandino, Katja Matthes

10:00 - 11:00 Panel Discussion

**Big Conference Room
GEOMAR Helmholtz-Zentrum für Ozeanforschung Kiel
Düsternbrooker Weg 20 | 24105 Kiel**

This event is open to all (female and male) interested PhD and Postdocs -
registration is not necessary in advance.
